

STUDENTS FOR LIFE OF ILLINOIS EVENTS AND INVOLVEMENT

FOR INFORMATION ON ANY OF THESE EVENTS AND MORE, PLEASE VISIT [HTTP://SFULLINOIS.ORG](http://sfillinois.org)

Students for Life of Illinois is committed to pro-life action at both the local and national level. The following are some events that SFLI members have been involved with in the past or are planned for the future:

LEADERSHIP RETREATS

Students for Life of Illinois holds leadership retreats periodically throughout the year. These retreats are more intensive and intimate training sessions for both SFLI officers and exceptional group leaders.

MARCH FOR LIFE, WASHINGTON D.C.

The March for Life was started in 1974, the year after Roe v. Wade was decided, as a way for citizens to protest the legalization of abortion in America. Each year since, thousands of young people from across the country come to march on Washington and have their voices heard. SFLI helped encourage and coordinate the attendance of approximately 100 college students at this event in 2008. The event is held annually on January 22, the day that Roe v. Wade became law. For more information, visit <http://www.marchforlife.org/>

ANNUAL SFLI CONFERENCE

Students for Life of Illinois holds an annual fall training conference for pro-life students from campuses across Illinois. The conference typically focuses on providing students with the education and tools they need to build a strong pro-life presence in their schools and communities. A variety of speakers focus on topics such as sidewalk counseling, legal action, media, student leadership, group-building, fundraising, etc. SFLI has hosted a number of nationally known pro-life speakers, including Joe Scheidler, author of CLOSED: 99 Ways to Stop Abortion and founder of the Pro-Life Action League, Vicki Thorne, founder of Project Rachel, Steve Wagner, author of Common Ground Without Compromise, and Star Parker, founder of CURE (Coalition on Urban Renewal and Education). Examples of past conference themes have been The Time is Now and Pro-Life: Mission Possible.

SFLA CONFERENCE

Students for Life of America, the national umbrella for pro-life student organizations across the country, holds an annual conference in Washington, D.C. to educate the pro-life student movement. This year the conference will be held on January 24, 2009 at the Pryzbyla Center at the Catholic University of America. For more information, or to register, please visit <http://www.studentsforlife.org/index.php/conferences>

SPEAK OUT ILLINOIS

Speak Out Illinois is an annual conference of pro-life leaders and organizations. Various workshops are designed to further educate and encourage action. The conference also sponsors a concurrent TeenSpeak youth program. Speak Out Illinois is usually held in the beginning of February each year. Students for Life of Illinois is a represented organization at the conference. To see a detailed description of speakers and workshops, or to register, please visit the conference's website at <http://speakoutillinois.org/>

40 DAYS FOR LIFE

40 Days for Life is a national campaign that emphasizes peaceful prayer, fasting, vigil, and community outreach. 40 Days for Life has groups in over 170 cities across the U.S. and Canada that are committed to saving babies and helping post-abortive women. This event typically runs in both the fall and spring. Illinois locations for the fall are Aurora, Champaign, Chicago, and Downers Grove. To join, please visit the campaign's website <http://www.40daysforlife.com>

In addition to these events, be sure to look for the following events SFLI has planned for the future:

MULTI-CAMPUS EDUCATIONAL CAMPAIGN
ADOPTION COUNSELING TRAINING FOR SOCIAL WORK STUDENTS

TRAINING AT VARIOUS CAMPUSES

Students for Life of Illinois sends representatives to various pro-life groups at campuses across the state for training and support. SFLI leaders work with students to start pro-life groups at their schools, build group membership, encourage member involvement, become active in their community, work with their school's administration, budget, fundraise, etc. With questions or to schedule a training session at your campus, please contact John-Paul Deddens, executive director of SFLI, at deddens@sfillinois.org
