

# Students for Life of Illinois

## Summer 2011 Internship Application Questions

Thank you for your interest in working as an intern with SFLI, the premier statewide pro-life organization serving college campuses. If accepted, you will advance the pro-life movement and save lives, while also building your resume and gaining invaluable experience in the non-profit sector. In this position, you will work alongside John-Paul Deddens, the Executive Director, to build up the collegiate pro-life movement through research, media, video, activism and more!

In a separate document, please complete the following essay questions to the best of your ability. Send your essay questions, resume, and cover letter to [Emily@ProLifeIllinois.com](mailto:Emily@ProLifeIllinois.com) by Monday, April 4<sup>th</sup>.

- 1. What is the driving factor that has led you to apply for an internship with Students for Life of Illinois? Answer in 200-300 words.**
- 2. You are entering an essay contest and the prompt is: "Defend one of your most deeply held values". You choose to write on the value of human life. Please compose an essay of 600 words or less discussing the value of human life.**
- 3. How can we help society see that the problem of abortion is connected to every other societal problem (such as poverty, abuse, addiction, etc.)? Answer in 300-500 words.**
